

Authorized Distributors:

Delivering
Commitment
Since 1815

www.ramkin.in

Ramanand Kidarnath International is a leading specialty chemicals company offering a wide product range of top-notch quality dyes and chemicals from renowned market leaders such as BASF, Dystar and Archroma. We have a time-honored history in trading since 1815 and more specifically a legacy in dyes and specialty chemicals since 1965. We aspire to attain economic success while marketing our innovative products and leveraging our long-lasting relationships with both, our customers by providing value-added services and principles.

We employ our expertise in marketing chemicals and eminent services across diverse industries, we serve such as Pharmaceuticals, Textiles, Leather, Paper, Nutrition, Paints and Coating, Agrochemicals, Poultry, Steel, Personal care and hygiene, Fragrance and flavor, Water treatment, Adhesives, Oil and gas, Engineering plastics and Epoxy resins. Over the years, we have gained a significant foothold in the chemicals industry and widened our grasp all over India; with offices in Mumbai, Amritsar, Ludhiana, Chandigarh, Delhi and Chennai. Beyond our products, the services of our quality-check laboratory at offices and sizeable warehouses offer optimal efficiency across the supply chain.

With experience garnered over a century, we have always strived to distribute quality products that every client seeks. Our wide pool of reputable clients is a testimony to our long-term relationships and niche offerings. We prioritize our customers' delight in terms of quality, value and time. We are consistently successful in maintaining our distinguishability in the industry, owing to our exclusive products, remarkable quality standard and unparalleled customer care support.

VISION

To provide the best products for the focused industry to industrial specialty chemicals in one place through high quality, cost-effective & fastest delivery as per customer needs. Our target is to achieve the customer satisfaction

MISSION

To offer superior standard quality products to focused industry sectors by partnering with reputable suppliers & provide value-added services through effective supply chain management
